PUBLIC COMMENTS The City Council invites any person with business before the Council to speak. No formal action may be taken on these items at this meeting. Please keep comments to 3 minutes.

Joe Cordina, 4302 Boulder Drive, emphasized cooperation between the City and residents, regarding the facility project. Mr. Cordina called his group the "Parker Citizens Advisory Committee" and said the Committee is open to all interested in preparing for a new City Hall that is affordable and fits a city of Parker's size. He said a committee of residents is the way to approach completion of the City Hall project, as the committee can advise the City and present their findings at City Council meetings.

Jim Douglas, 5005 Hackberry Lane, also said cooperation is necessary for the proposed new facility to be affordable. Mr. Douglas said plans should not include options for one-time events and over staffing. He said the new facility should not include six (6) person waiting rooms, wide hallways, large offices and council chambers, and numerous parking spaces. While Mr. Douglas agreed some expansion is necessary, he indicated the current plans are extreme.

Gregor Ulteig, 4006 Sycamore Lane, noted he has lived in the City of Parker approximately eighteen (18) months. Mr. Ulteig was interested in the possible sales tax increase on tonight's agenda. In particular, he inquired about sharing a zip code and how those sales tax dollars were distributed. He also commented a great deal of education would have to be done, so the residents understand the proposal and the benefits.

10. DISCUSSION, CONSIDERATION AND ANY APPROPRIATE ACTION ON SALES TAX. [MEYER]

Councilmember Meyer started the discussion, stating approximately three (3) years ago (May 5, 2018) a Proposition was on the ballot to vote for the adoption of a local sales and use tax in Parker, Texas at the rate of two percent (2%). The Proposition was voted down (For 334 and Against 355 – 20180515 Canvassing). The #1 Obstacle was voter education on the Proposition.

There were three (3) cities in our area with a 7.25% sales tax, the Cities of Parker, New Hope, and Weston, while other cities are at 8.25%. If the sales tax is increased by 1/%, it could raise approximately \$250,000 for our city and those funds could be placed in a fund dedicated to street maintenance, infrastructure, and so on or placed in our general fund. Councilmember Meyer said it was her understanding the sales tax is paid by non-residents predominantly, or people doing business in Parker.

Councilmember Lynch said this is still a tax increase. Council Member Meyer said yes, but it would not be paid by our residents.

Councilmember Meyer said Council would have to vote whether to place a proposition on the ballot; Council would need to determine whether funds would be dedicated and if so, dedicated to what; and finally, how best to educate our residents.

A sales tax item is to be brought back on the next Council meeting with details about placing it on the ballot and educating our citizens.

City Attorney Shelby spoke on sales tax. (See Exhibit 2 – City Attorney Shelby's Sales Tax information sheet, dated December 8, 2020.)

Councilmember Meyer said if the sales tax is dedicated, she feels it is an easier sell. She also said she feels delaying the process and approval would be missing out on additional revenue.

Council agreed this item should be brought back at the next meeting, January 12, 2021 for further discussion to place a sales proposition on the May 2021 ballot and how to move forward with an education program, i.e., brochure, letter, newsletter, etc. Councilmember Meyer and City Administrator Olson plan to have a rough education plan to present.

Mayor Pettie said at our last meeting on November 17, 2020, Council decided, with input from the citizens, the city would hold a citywide community meeting to hear from all our residents and the meeting would be led by a facilitator. She reported no facilitator has responded to requests thus far, but the search will continue.

The Mayor also noted several residents proposed instead of one big gathering/meeting, the City would have a series of smaller gatherings/meetings, as some residents are intimidated and do not feel free to speak at large gatherings.

The Mayor said it was also suggested the gatherings/meetings be done in both in person and virtually, as many are still concerned with COVID-19.

Finally, Council decided to have the citywide community meeting January 5, 2021 at 7:00 PM at City Hall.

Mayor Pettie encouraged all Parker residents to attend either in person or virtually.

Joe Cordina, 4302 Boulder Drive, once again urged cooperation between the City and residents, specifically with what he called his group, "Parker Citizens Advisory Committee", regarding the facility project.

- **NORTH TEXAS MUNICIPAL WATER DISTRICT (NTMWD) [OLSON]**
City Administrator Olson updated the Mayor, Council, Staff and audience on the progress made on our requested NTMWD contract changes. The member cities have settled their case with NTMWD. The City of Parker is a customer city and the customer cities are hopeful of reaching a new agreement similar to the member cities. City Administrator Olson said he will keep everyone advised.
- **ACCEPTANCE OF FOOD DONATION(S) FOR POLICE, FIRE, AND CITY STAFF DUE TO COVID-19 FOR THE RECORD (Each valued at between \$0 - \$500). [PETTLE]**

No additional donations were made at this time.

Mayor Pettle asked if there were any items to be added to the future agenda.

Hearing no additional requests, Mayor Pettle encouraged everyone to email her any additional requests and noted, due to the holidays the December 15, 2020 City Council meeting has been canceled; a December 15, 2020 Workshop Session has been scheduled for 4:30 PM; the January 5, 2021 City Council meeting has been rescheduled for January 12, 2021; and finally, a citywide community meeting will be January 5, 2021 at 7:00 PM.

The Mayor asked everyone to check the City's website frequently, due to possible changes related to COVID-19, holidays, and possible inclement weather.

City of Parker Policy on Staff Awards:

The City of Parker actively seeks to recognize employee performances that are exemplary in providing professional service on a consistent basis. This policy allows the City of Parker Mayor, with input from City Council and/or staff the ability to recognize employees who exceed expectations. Any earned awards will be presented on an annual basis.

The City of Parker also wishes to recognize the longevity of our employees by issuing milestone awards for their years of service to our city. The milestones to be recognized are in increments of five years of service beginning with 5 years of service with our city. These awards are to be presented on or near the day of the milestone.

Sales Tax

The sales tax rate charged by the state on the sale of each taxable item in the state is 6.25 percent of the sales price of the taxable item. TEX. TAX CODE § 151.051. On top of the state's 6.25-percent sales tax rate, local taxing entities (cities, counties, transit authorities, and special purpose districts) can collectively claim an additional two-percent tax rate for a total maximum tax rate of 8.25 percent in any given location. See TEX. TAX CODE § 321.101(f).

Parker has adopted at 1% sales tax for general revenue. In the past, Cities were permitted to impose an additional 1% take for dedicated purpose. In 2015 the legislature loosened some of the restrictions. Now, Cities can issue the additional tax for dedicated purpose or for general revenue.

Some examples of dedicated purposes are:

1. economic development (Type A or B)
2. property tax relief (complicated administration; does not increase revenue)
3. street maintenance (renewed every 4 years, must be used on streets in existence at time of passage.
4. special purpose districts (crime, fire)
5. Other – A city may dedicate the use of sales tax revenue to virtually any lawful purpose. WE would consult with the AG, but it is possible that the revenue could be dedicated to addressing drainage issues or payment of bonds.

How?

Any implementation of additional sales tax must be put to a vote on a general election date. (May or November). The May election must be called in early February and a November election in August. No election can be called within 1 year of a previous sales tax election.

Can we change the purpose?

Legislation that passed in 2005 permits a city to repeal or lower one dedicated sales tax, and raise or adopt a different dedicated sales tax, all with one combined ballot proposition. The fact that this can be accomplished by one combined ballot proposition protects the city's interest by eliminating the risk that one tax will be voted out by the citizens without the other tax being voted in.

Rebate of sales tax

While businesses with future contracts may not be grandfathered into a lower sales tax rate, the City does have some flexibility to rebate sales tax through a Chapter 380 agreement. Chapter 380 of the Local Government Code provides significant flexibility in rebating tax revenue for the purpose of economic development.
